To whom it may concern

Notice on Shifting of Working days during the Summer

In order to meet the situation caused by Tohoku Region Pacific Coast Earthquake, we, Japan Electrical Safety & Environment Technology Laboratories (JET), have decided to shift our working days from Mondays to Saturdays during the period from 2011-07-04 to 2011-09-10 to save the consumption of the power supply energy.

The shifted days are shown in the following table.

Month	Days off	Working days
July	4 (Mon.)	9 (Sat.)
	11 (Mon.)	16 (Sat.)
	19 (Tues.)	23 (Sat.)
	25 (Mon.)	30 (Sat.)
August	1 (Mon.)	6 (Sat.)
	8 (Mon.)	13 (Sat.)
	22 (Mon.)	27 (Sat.)
	29 (Mon.)	—
September	—	3 (Sat.)
	5 (Mon.)	10 (Sat.)

JET would appreciate your understanding and cooperation in advance.

If you have any questions, please contact the relevant section anytime.
