【Points to be confirmed on the application for Certification】

1. This Application will come into effect after JET's receipt of the Test samples, necessary documents and the estimated fees for Certification.
2. If the Test samples and necessary documents are not delivered to JET within six months after the date when JET verifies its receipt of this Application, this Application will be deemed to have been withdrawn at the Applicant's request.
3. The Test samples shall be delivered to and received by Japan Electrical Safety & Environment Technology Laboratories (Tokyo Lab., Yokohama Lab or Kansai Lab according to JET's assignment). The Applicant is responsible for the delivery.
4. If JET informs the Applicant of any defect or damage found in the Test samples delivered to JET, the Applicant shall immediately take countermeasures.
5. JET does not restore the original condition of the Test samples after the testing and does not bear responsibility for any disassembly or damage of the Test samples which may have arisen as a result of the testing.
6. If the Applicant is to pick up the Test samples with which the testing was conducted, they are to be picked up within 50 days after completion of the testing. If it is not done in time, the samples are at JET's disposal. In this case, the Applicant shall bear all expenses related to such disposal.
7. The Applicant agrees to allow JET's staff members to enter the Manufacturing factories and perform necessary investigations there if it is requested for the conduction of the Preliminary Factory Inspection.
8. The Applicant agrees to observe the provisions of "Rules for Operation of JET Certification" and to provide JET with all information necessary for evaluation of the product to be certified.

The Applicant has confirmed the above points on the Application for Certification.

- ☐ Hereby I, the person in charge of the Application, accept the contents of all the above points to be confirmed. (Please tick the box, if accepted)
